

ROCKS BAR GROUP

COVID19-ERA HOUSE RULES

To ensure the safety and comfort of all our guests and staff, **we are taking the (contactless) temperature of everyone** choosing to dine and drink with us before being seated.

- All guests are required to complete a simple and quick verbal self-evaluation as well as prior to being seated. Masks are required 100% of the time for our staff and are always required for guests when not seated. **If we can wear them for eight hours straight, you can properly wear them to go to the bathroom.**

- All guests are required to check in at the (new) host stand.
- All guests must remain seated during service unless going to the bathroom.
 - No standing, gathering or meandering around the bar.
- A two-hour time limit will be enforced on tables to ensure we can serve as many of our returning guests as safely as possible.
- We have made several menu changes to make serving you efficient and safe.

**NO SHIRT
NO SHOES
NO MASK
NO SERVICE**

While things might look and feel a little different right now, and may stay that way for a while, you can rest assured that our delicious food and drinks will not taste any different.

Be patient. Some things may take a little longer right now.

Be kind. We are doing our best to provide a safe and comfortable experience for all.

Be understanding. We are still figuring this out as we go!

Anyone who is not willing to keep our family of guests and staff safe and comfortable by following these guidelines will be denied entry or asked to leave immediately regardless of services rendered.
